Open in a new tab checkbox for Guides Under Review

When adding a link in the Text Editor in Guides, there doesn't seem to be an option to be able to open the link in a new tab (just the same as the option given in the Knowledgebase).

A screenshot of the Deskpro text editor interface. At the top, there is a search bar with a magnifying glass icon and a dropdown arrow. Below the search bar is a form with a "URL" label and a text input field. Underneath the input field is a "Text" label and the text "Formpipe Support". At the bottom of the form, there is a checkbox labeled "Open in new tab" which is checked, and a blue "Update" button to its right. The "Open in new tab" checkbox is highlighted with a red rectangular border.
