

We have updated the design for ticket views in the helpdesk

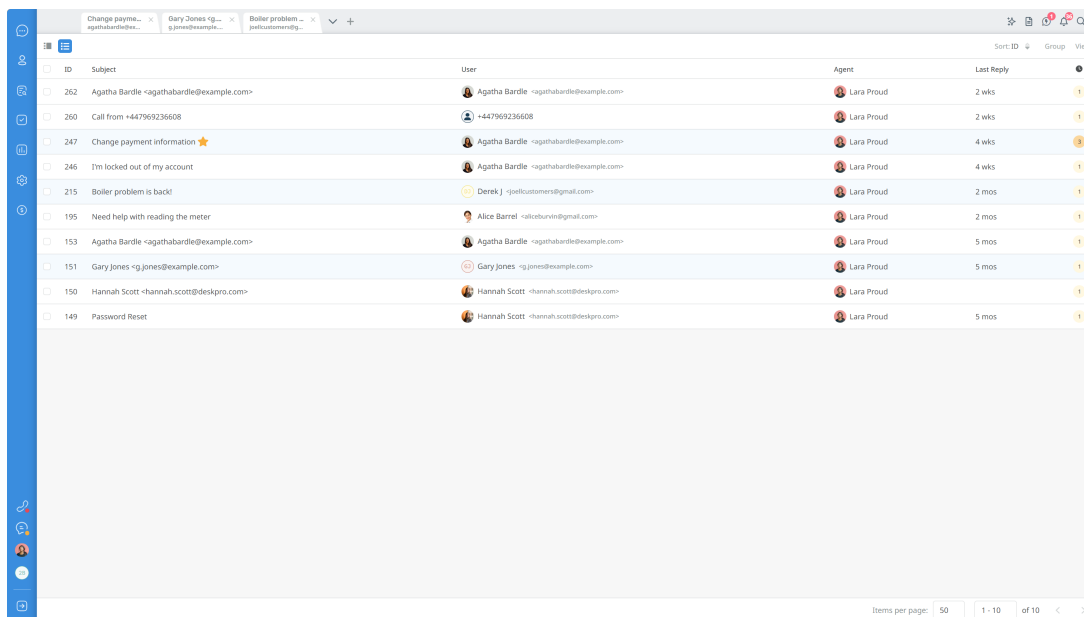

2022-11-01 - Lara Proud - Comments (0) - Product (Agent)

We have updated the behavior and design of ticket lists in the helpdesk.

In Table View we added the ability to preserve per queue, column width of the table and any fields you have applied. We have also added a gray background behind the ticket list to increase the contrast and enhance ticket visibility.

Additionally, we have added an open ticket state, which is signified by a blue colored ticket, as seen below. This change will apply to both **Table View** and **Card View** by adding a blue indicator to tickets you have open in a tab.

In **Table View**, it will look like this:

ID	Subject	User	Agent	Last Reply
262	Agatha Bardle <agathabardle@example.com>	Agatha Bardle <agathabardle@example.com>	Lara Proud	2 wks
260	Call from +447969236608	+447969236608	Lara Proud	2 wks

149	Password Reset	Hannah Scott <hannah.scott@deskpro.com>	Lara Proud	5 mos

In **Card View**, the indicator state will look like this:

The screenshot displays a customer support interface. On the left, a list of tickets is visible, including 'Change payment information', 'I'm locked out of my account', 'Boiler problem is back!', 'Need help with reading the meter', and 'Password Reset'. The main area shows a detailed view of the 'Change payment information' ticket. The ticket title is 'Change payment information' with a star icon. The agent is 'Agatha Bardie' (agathabardie@example.com). The ticket is categorized as 'Billing' and is currently 'Awaiting Agent'. The conversation history shows a customer message: 'Thanks, Agatha' and an agent response: 'Hi Agatha, Thanks for your message. One of our team will get back to you shortly! Thanks, Lara'. An 'Action Item' is present: '@James Moriarty can you send Agatha this guide about updating her billing information: <https://221benergy.deskpro.com/en-US/guides/setting-up-your-account/add-your-billing-information>'. The right sidebar contains customer information for 'Agatha Bardie', including contact details, organization 'Energy.ie (41)', and a list of tickets with 10 open and 14 resolved.

These updates will make it easier for you to locate the tickets in a list that you already have open when navigating your ticket queues and other lists of tickets across the interface, as well as boosting overall visibility in the helpdesk
